# Protect Important Documents with TROY Security Toner

## TROY Security Toner

- Special toner formula forces a bright red stain to appear if chemical alteration is attempted. Any solvent that will remove toner will release the dye.
- High adhesion toner formula makes it more difficult to remove toner using mechanical alteration.
- Simple and easy confirmation of document authenticity.
- TROY Security Toner protects the characters and graphics on documents. Print using either plain or security paper.

Helps limit growing financial losses and other business risk associated with fraud

### Protect the Integrity of your HIPAA compliant documents

Government regulations have changed in the Health Care industry in attempt to protect patient rights.

Documents pass through the hands of more patients in attempt to protect patient confidentiality; leaving the opportunity for fraudulent alteration or unauthorized copying of patient documents.

### Verify Records with TROY Security Toner

Headline news over the past few years has reported numerous problems with the integrity of corporate records.

TROY Security Toner can be used as a form of authentication on any document printed using a Hewlett-Packard LaserJet printer.
